WORK HISTORY

Lawn Care, 06/2017

County Super Spuds – Presque Isle, ME

- Mowed lawns in Presque Isle on a farm.
- Picked up trash on the lawns before mowing.
- Drove a pickup with a trailer attached to Castle Hill to mow lawns.
- Weed wacked around various objects and buildings.
- Completed other tasks as asked by supervisor within the business.

Potato Bruise Sampler, 09/2016

County Super Spuds – Mars Hill, ME

- Tested different potato varieties for bruising.
- Traveled to different towns to gather the different varieties by filling buckets of random samples.
- Recorded the amounts of bruising for each sample in a computer.
- Inspected potatoes before they entered storage by throwing out rotten potatoes, rocks, broccoli stalks, and other useless and harmful objects.
- Worked well with other employees to receive accurate bruising information.

Potato Harvest Laborer, 09/2013 to 10/2015

Lagerstrom Farms – Presque Isle, ME

- Inspected potatoes before they entered storage by throwing out rotten potatoes, rocks, broccoli stalks, and other useless and harmful objects.
- Took responsibility of being the final person to inspect potatoes for rot and other items as they are harmful if they aren't caught before entering storage.
- Being the farmer's daughter, I am dedicated to my family's work.
- I took a leadership role while working here.
- Operated the bin piler so the potatoes could fill the truck to be hauled.
